BY D. MARK JONES, CLERK

DEPUTY CLERK

I Christopher E. Rios am writting you today on 11.16.19 to bring you up to date on my circumstances, and limitations I am facing to successfully be able to complete with the requirements that is needed from me from the Courts to have a fair chance of winning my Case #1:19-CV-00114-TC. A civil suit Against Davis County Jail. Cause 42:1983 Prisoner Civil Rights for negligence and inadequate Mental / Medical care 10.5.18

On 10.10.19 You granted me my motion¹ for leave to proceed in forma pauperis, My initial fee got waive. from that point on I have been getting moved-relocated- from Utah to Nevada and now California. and have been having difficulties trying to further proceed with this case and the motions. On the way to California the transport officers lost all my paperwork pertaining to this case. Since the arrival to this prison, we have been on lockdown over two weeks limiting me to have law library access or to file motions or to have any much needed council to get back into motion and fullfill the requirements necessary to move forward with the court proceedings. On 11.13.19 I had my caseworker e-mail The prisoner Litigation Unit witch got assigned to my case on 10.4.19. They e-mailed my case-manager back and stated that I should of recieved an order granting me in forma pauperis application witch is

required to submit my signed consent-to-collection form to the accounting office and mail a copy of the signed consent to the court. As I speak we been on lockdown for the whole prison, I don't have access to a copy machine, law library, a phone or have any access to contact the Litigation Union, here is also a copy of my inmate balance that the case manager gave me. I have tried everything in my power and ability with the limited options I have while being imprisoned to satisfy and meet deadlines or what is needed by the courts to fulfill all that is required of me. If you can please help me or council me to further proceed with this case I will appreciate it alot. Thank you for your time and patience

Sincerely *Chun-Rise*
